STRATEGY **Three rules for clearing CSEET in one sitting**

1. **Aggregate matters** – 40 in each paper is not enough; you need **200 of 400**. Use Paper 4 (OMR, no negative marking) and Paper 2 (practical) to build the aggregate.
2. **Write every day** – three papers are subjective; practise formats and 5-mark answers by hand.
3. **Solve the official June 2026 papers** under exam conditions in the last fortnight.
